

Valentine's Day Love Coupons

Supplies:

8 - A2 (4 3/8" x 5 3/4") size envelopes (*You can find these at your local art & craft store or on paper-source.com*)

Glue Stick

2 sheets of 8.5" x 11" white cardstock paper

Scissors or x-acto knife and straight edge

Color ink jet or laser printer

1. Print out pages 2-3 on 8.5" x 11" cardstock paper. If your printer does not print a full bleed (all the way to the edge of the paper), you will need to scale the document to fit the size of your paper.
2. Cut out each card by cutting the paper in quarters.
3. Apply glue on the inside of the top flap of an envelope. Place another envelope on top of the glued flap. Press down firmly, to adhere the envelopes.
4. Repeat until all 8 envelopes are glued together in a chain. You can fold the envelopes, like an accordion, then tie them with string and add a gift tag. Now you're ready to give them to your valentine!
